THE NEW YORK SUN FOR 1879.

THE SUN will be printed every day during the

in a readable shape, and to tell the truth though | Y the heavens fall. independent of everybody and everyteing save the Truth and its own convictions of duty. That A Pretai Card sear us with your address will it the only policy which an largest news. is the only policy which an horest news-ps or need have. That is the policy which has won for this newspaper the confidence and lors friendship of a wider constituency than wa ever erjoyed by any other American jeurnal.

THE CUN is the newspaper of the people. It not for the rich man against the poor man, or for the poor man against the rich mar, but it reeks to do equal justice to all morests in the community. It is not the organ of any person, class, sector party, where need be no mostery about its loves and hates. It is for the honest man against the rogues every time. It is for the honest Democrat as against the dishonest Republicar, and for the honest Republican against the dishonest Democia. It does not take its cue from the utterances of any politician or political organization. It gives its support un reservedly when men or measure: are in agree ment with the Constitution and with the princi ples upon which this republic was founded for the people. Whenever the Constitution and constitutional principles are violated-as in the outrageous con pieacy of 18 6, by which a man not elected was placed in the President's office, where he still remains—it speaks out for the

righ. That is There will be no change in its programme for 1879.

The cus has fairly earned the heart haired to racele, frauds, and bumougs of al. sores and size. It hopes to deserve that ha red not less in the year 1879 than in 8 8, 877, or any year gone by. The Sun is printed for the men and women of to day, wh so coocern is chiefly with the affirs of to day. It has both the disposition and the abidity to afford its readers the p ompt est, fullest a d most rearest intergen e of whatever in the wide would be worth at entern.

To this end the resources belonging to well-established prosperity will be a terrally emhe present disjointe co detion for he is this country, and the u cer a new o the urar lent an extraordinary seat h w c to he even of the coming we. To present with a con-

varying the es, and expound, not ring to its well known ma hods, the principles that housing adde us through the labyring, will be an its por ant part of The SU - were for 1879.

We have the means o make a The SU - as a positical, a literary, and a general newspaper, more entertening and mere useful than ever before; and we mean to apply them freely.

Our rates of subscription resain unchanged. For the Dathy Sus, a four-page that of twenty-eight column, the ere e by mail, postpaid, is 55 cents a month, or 16 59 a year; or me nd ng the Sunday paper, an eight-page sheet of fifty-ax minumer, the price is 63 cents a month, or 7.70 a year, postage paid.

The Sunday edition of The us is also furnished separately at 81.20 a year, postage unid.

The TUNDAY BUN, in a dition to the cu rest news, presents a most entertaining and in truetive body of literary and miscellaneous natter. In butk twice as great and in value not inferior to that of the be t monthly magaz as of the day, at one tenth of their cos:

The Werkly buy is especially add that for those who constitute a New York daily paper. The naws of the week is fully presented, its market reports are furnished to the latest member of the second of the se ment, and its ag icultural department, exited with great care and abilit, is unjurpa sod. The Weekly Sun is probably read to lay by more firmers than any other taper published, choice story, with other carefully prepared in cellany, appears in each tour. The weekly protects its readers by barring its adverting prefects its readers by barring its advertible columns against francis and tumbus; a diffurnishes more good matter for the money than can recobinined from any other source.

The price of the Warkiny Str., eight posts, fifty-six columns, it \$1 a year, p state path, for clubs of ten sanding \$10 we will read an extra copy free. Address I. W. England.

SCRIBNER'S MONTHLY, Conducted by J. C. Holland. The American edition of this periodical is

Copy free. Address I. W. ENGLAND. Publisher of THE SUN, New York City.

MORE THAN 70.00 MONTHLY, And it has a larger circulation in England than any other American magazine, Every number contains about one hundred and fifty pages, and from fifty to seventy-five

original wood-cut illustrations. Announcements for 1879: Among the attractions for the coming 1.93 Prizes. year are the following:

"HAWORTH'S," a serial novel, by Mrs Frances Hodgson Burnet, author of "That Lass o' Lowrie's." The scene of Mrs Burhero is a young inventor of American birth 'Haworth's" is the longest story Mrs Burnett has yet written. It will run through Building, Louisville, Ry. twelve numbers of the Monthly, beginning with November, 1878 and will be profusely

FALCONBERG, a serial novel, by H. H. Boyesen author of "Gunnar," "The Man who Lost his Name," &c. In this romance, the author graphically describes the peculiarities of Norse immigrant life in a Western settlement.

A STORY OF NEW ORLEANS, by George W. Cable, to be begun on the con-clusion of "Falconberg." This story will exhibit the state of society in C. col Louisi ana about the years 1803-4 5, the time of the Cession, and a period bearing a remarkable likeness to the present Reconstruction pe-

PORTRAITS OF AMERICAN POEMS This series (begun in August with the portrait of Bryant) will be contined, that Longfellow appearing in November. These protraits are drawn from life by Wyatt Easton and engraved by T. Cole. They will be printed a parately on tinted paper, as frontispieces of four different of the poets will accompany these por-

STUDIES IN TEH SIERRAS-A series of papers (most illustrated) by John Muir the California naturalist. The most graphic and picturesque and, at the same time, exact and trustworthy studies of "The California Alps" that have yet been made. The series will sketch the Califonia Passes, Lakes, Wind Storm and Forests. A NEW VIEW OF BRAZIL Mr. Herbert H. Smith, of Cornell University,

a compation of the late Prof. Hartt, is now in Brazil, with Mr. J. Wells Champney (the artist who accompanied Mr. Edward MULICAL RE Oab, P. pular Weekly Paper King in this tour through "The Great South"), preparing for SCRIBNER a series of papers on the present condition,-the cities, rivers and resources of the great THE "JOHNNY REB" PAPERS, by

NER during the coming year. They are written and illustrated by Mr. Allen C. series, "Johnny Reb at play," appears in the Novembr number THE LEADING EUROPEAN UNI-VERSITIES. We are now having prepared for SCRIBNER, articles on the lead Universities of Europe. They will writen by an American College Profe Mr. H H. Boyesen, of Cernell (author "Falconberg," &c), and will inclusketches of the leading men in each of the most important Universities of Great Britain and the Continent. Among the additional series of pape

to appear may be mentioned those on Ho SHALL WE SPELL (two papers by Louisbury), THE NEW SOUTH, Lawle-Planting for Small Places (by Samue Parsons, of Flushing), Canada of To-day, New Inventions and Mechanical Improvements; Papers on Education, Decoration, &c.; Book Beviews: fresh bits of N. Y.
